Attention: COMPLIANCE PARTNER® Customers

### **Issues Central to provide 2009/2010 Product Direction sessions for COMPLIANCE PARTNER® Customers**

*April 9<sup>th</sup> and May 5<sup>th</sup> web-based seminars to discuss product development plans, maintenance updates, new product training sessions, and more.*

**TORONTO, ON — April 1, 2009** — Issues Central, Inc. is pleased to announce upcoming Product Direction information sessions for existing COMPLIANCE PARTNER® customers. These free, web-based sessions will take place on Thursday, April 9<sup>th</sup> and then be repeated on Tuesday, May 5<sup>th</sup>.

These sessions will cover upcoming product updates and maintenance release information for users of both COMPLIANCE PARTNER® for NI 52-109 and SOX 404 compliance, as well as COMPLIANCE PARTNER® for Executive Compensation Disclosure. The sessions will also introduce a schedule for new web-based training on all COMPLIANCE PARTNER® products. In addition, a brief overview will be provided of the agenda for the upcoming Virtual COMPLIANCE PARTNER® Customer Forum to be held in the summer of 2009.

“COMPLIANCE PARTNER® products are reducing the cost and workload associated with meeting growing compliance and regulatory requirements for companies listed on the TSX™ and the TSX Venture™, said Charley Best, Vice President of Issues Central, Inc. “These information sessions will help customers to understand how they can strengthen compliance, reduce ongoing sustainability costs and workload, and best leverage their COMPLIANCE PARTNER® investment.”

To register for the Product Information Sessions, customers are requested to visit the Events page of the COMPLIANCE PARTNER® website (<http://www.compliancepartner.ca/events.htm>) and select from the available dates/times.
